Thank you for being our customer

What we discussed with you today

Please refer to the Fee & Information Schedule for full details including all fees for each deposit product and service you selected today and to any disclosures you received for each credit product for which you applied. If you need a copy of these materials, please ask a banker.

Wells Fargo Simple Business Checking

Checking account designed to meet limited checking needs of businesses with low monthly checking account activity.

Standard monthly service fee: \$10.00

Your monthly service fee can be avoided with the following each fee period:

- Maintain an average ledger balance of \$500.00

Business Debit Card

Your business debit card will arrive in 5-7 calendar days. Activate it to make purchases and access ATMs. Add to a digital wallet for purchases or payments and access to Wells Fargo ATMs displaying the Contactless Symbol. You can select a Personal Identification Number (PIN) with a banker today, or one will be mailed to you. Refer to your applicable account agreement and card terms and conditions for more information.
