Re: Provider #: 239291

Dear Zulfiqar Zulfi,,

We have recommended recertification of your provider/supplier to the Centers for Medicare and Medicaid Services (CMS), based on the survey completed March 7, 2022 and Plan of Correction received April 29, 2022. Certification continues to remain in effect unless you are specifically informed in writing by CMS to the contrary.

Thank you for your cooperation in this matter.

Sincerely,

Rick Brummette, Section Manager
Federal Survey & Certification Division
Specialized Health Services
